

WELCOME

A warm welcome to Heidelberg and the Rhine-Neckar metropolitan region. We are very much looking forward to spending an inspiring and interesting working week with you. This program has been made possible thanks to our supporters, to whom we extend our heartfelt thanks. We would also like to thank all our partners very much for the ambitious program of events taking place at those exciting venues.

Note: Please make sure you wear practical clothing. Bring warm and lighter clothing, rainwear, sturdy shoes, a swimsuit and a small towel. After all, we'll be working by the water ;-)

Do you have any questions? Are you experiencing any unexpected difficulties? Please don't hesitate to get in touch.

Have a wonderful week with
DANUBE Connects
